

the North East Region

The Gourmet Region Story...

Milawa Gourmet Region - Australia's first gourmet region was conceived in 1994, with each member providing a service to visitors and proudly displaying the gourmet region's logo.

The region is centred around the townships of Oxley, Milawa, Markwood & Wharouly and is home to numerous fresh and processed food producers, a number of Victoria's leading wineries, accommodation options include a range of bed and breakfast stays, motels, caravan parks, camping and a five star hotel.

To enable you to enjoy all this region has to offer, the members have collaborated to provide visitors with this integrated guide to our wonderful region.
